

COVID-19 HEALTH & SAFETY GUIDELINES

Our team is committed to holding a safe and successful event. For your safety, the following guidelines will be in place:

ENHANCED CLEANING

Enhanced cleaning of all areas and hand sanitizing stations installed throughout the building.

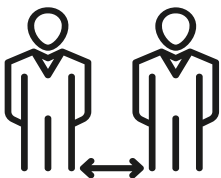

TEMPERATURE SCREENING & PPE

All employees and visitors will be required to be temperature screened upon entry, and required to wear the appropriate personal protective equipment.

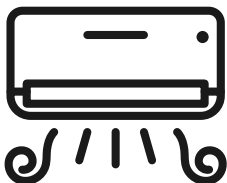

ONLINE REGISTRATION

All visitors and attendees are encouraged to register online to minimize on-site registration activity.

SOCIAL DISTANCING

The total number of attendees present will be restricted to one person per 28.3 sqft. circle to allow 6 ft. between individuals.

FILTRATION SYSTEM

The Javits Center is now equipped with specialized, hospital grade air filters to improve air quality and reduce air contaminants.
